## NOTICE OF SELECTION

### Postdoctoral Researcher - *neurophysiology/neuroimaging*

**Application deadline: 20 September 2021**

## JOB DESCRIPTION AND PERSON SPECIFICATION

*San Camillo IRCCS Srl Società Unipersonale* is looking for post-doctoral researchers with background in neuroscience, neurology, and engineering. The candidate will work in a dynamic and young environment, contributing to clinical research, alongside with a team of experts, in the fields of translational neuroimaging, non-invasive brain stimulation, advanced neurophysiology and computational neuroscience. Research activities are conducted at the Clinical Imaging and Stimulation Laboratory (PI Giovanni Pellegrino) and in collaboration with other internationally renowned partners.

San Camillo IRCCS provides access to the following in-home equipment: simultaneous EEG-MEG (300+ sensors), 3T MRI scanner (Philips), hd-EEG (several systems, up to 250 channels), TMS (3 machines for all types of stimulations), tDCS/tACS (several, including high-resolution stimulation and simultaneous tDCS/EEG), near-infrared spectroscopy, two neuronavigation systems (optic and magnetic), eye tracking, BCI, instrumentation for simultaneous TMS-EEG and simultaneous EEG-fMRI, BCI and much more.

Details regarding the terms, conditions and starting date of the assignment, as well as the remuneration, will be established in the individual contract depending on the candidate's titles and previous experience. The contract will not be effective until the candidate selected by the commission will sign it.

## METHOD OF COMPLETION

The selection procedure will include an initial evaluation of the participants' professional curriculum vitae followed by an interview where technical and professional skills will be assessed. This process is aimed at identifying, whenever possible, the best candidate for the position.

## GENERAL REQUIREMENTS FOR PARTICIPATION

In order to be eligible for the selection procedure, the candidate must meet the following requirements:

General Requirements:

- Italian citizenship, without prejudice to the equivalences established by current laws, *or* citizenship of one of the member states of the European Union, *or* belonging to a non-EU state in compliance with all the requirements for residence in Italy;
- Absence of conviction record and ongoing criminal proceedings;
- Passing the physical medical evaluation. San Camillo IRCCS's occupational physician will provide medical check-up to ensure the psychological and physical suitability of the candidate for the role;

- d) Knowledge of Italian language is preferred but not required.

**Specific Requirements:**

- a) Degree
- b) PhD or equivalent
- c) Proven research activity in the field

The aforementioned recruitment requirements must be possessed within and no later than the application deadline.

### **APPLICATION PROCEDURE**

In order to apply, candidates must fill the Attachment no 1 at the bottom of this document, scan it and send it by e-mail to [selezioni@ospedalesancamillo.net](mailto:selezioni@ospedalesancamillo.net). The Attachment no 1 must be sent with a copy of the curriculum vitae and a short presentation letter describing the applicant's research interest (max 10 lines), together with a photocopy of a valid identity document.

### **DEADLINE AND METHOD OF PRESENTATION**

The application must be addressed to the Scientific Director, and must be sent to [selezioni@hsancamillo.it](mailto:selezioni@hsancamillo.it) by September 20. The application and all the documentation must be attached in a single pdf file.

### **INTERVIEW**

The calendar of interviews will be published on the company website; the interviews can be held whether in presence at the IRCCS headquarters, or remotely according to the modalities that will be communicated with the calendar. During the interview, candidates must be in possession of a valid identification document. Failure to attend the interview will be deemed automatically considered as a waiver.

### **OUTCOME OF THE INTERVIEW**

The evaluation of the *curriculum vitae* together with the interview will lead the Commission to the identification, whenever possible, of the most suitable candidate for the role. The final decision of the Commission will be justified so as to ensure the total transparency of the selection procedure. However, the outcomes will be personally communicated only to the candidates who have participated in the interview and not to all applicants. The call for the interviews and the final Ranking of Merit will be published on the company website at the following page: <https://hsancamillo.it/selezioni-in-corso/>. Notices related to English applications will be written in English.

The employment relationship will be considered officially completed only after the positive outcome of the physical medical evaluation and the delivery of all the documentation necessary to certify the possession of requirements.

## TREATMENT OF PERSONAL DATA

Pursuant to art. 13 of the GDPR (EU Regulation 2016/679), the personal data, including sensitive data, provided by the candidates or acquired by the office, will be collected at the Personnel Office of San Camillo IRCCS Srl Società Unipersonale, Via Alberoni n. 70, 30126 Venice, with the purposes of managing the selection, and will be processed by the same office, even after the possible establishment of the employment relationship for the purposes related to the management of this relationship.

The processing and use of data include any communication form and publication related to the same procedures. Such data may be subjected to access by those who have a concrete interest pursuant to art. 22 of Law 241/90 and subsequent amendments and additions as well as for the subsequent obligations required by current legislation, including Legislative Decree 33/13.

The indication of the required data is mandatory for the purposes of assessing the participation requirements, under penalty of exclusion from the procedure. Pursuant to art. 15 and following of the GDPR 2016/679, candidates have the right to access the data concerning them and to request the updating, rectification, integration, deletion of data that are irrelevant or collected in a manner that does not comply with the rules.

The interested party may also oppose the processing for legitimate reasons. The data processing controller is San Camillo IRCCS Srl Società Unipersonale and the Data Protection Officer is Dr. Camparini ([dpo@hsancamillo.it](mailto:dpo@hsancamillo.it)). The provision of such data is essential for carrying out the selection procedures.

The submission of the application form by the candidate authorizes San Camillo IRCCS s.r.l. (single-member company) to the processing of data for the purpose of managing this notice.

San Camillo IRCCS S.r.l. Società Unipersonale reserves the full right to extend, suspend, modify or revoke this notice.
